

# FAMILIES WITH SICK PETS NEED YOUR HELP.

***Can you imagine seeing your pet sick or injured and not knowing how you were going to take care of him?***

While most families can cope with the financial commitment involved in the day to day care of their fur kids, there are times when a pet gets sick unexpectedly or when a family has fallen on hard times. This is when they can turn to Fur Kids Foundation for help.

# **WE NEED YOU TO HELP US KEEP FAMILIES WITH PETS HEALTHY IN CAMPBELL COUNTY, WYOMING.**

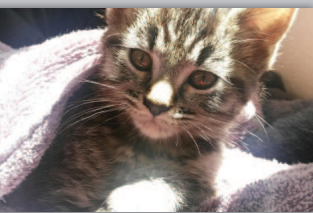

A bequest to Fur Kids Foundation makes a real difference.

It goes to work helping animals receive adequate veterinary care during a time when their family may not be able to afford it.

Bequests enable us to plan for the future, achieve more and ensure that families with animals in need continue to receive the support that Fur Kids Foundation provides.

A bequest may be made in your will or trust directing a gift to our organization. You can also make a bequest of your retirement assets, such as an IRA account to Fur Kids Foundation.

If you're interested, please contact your lawyer or financial consultant to help you with your planning.
