

# Watermelon Eating Contest

**The object of the contest is to eat a large wedge of watermelon down to the rind with your hands behind your back in 60 seconds or less. All the watermelon on a contestant's plate must be consumed and not regurgitated or spit up (this will result in ejection from the contest) prior to the completion of the age group contest. Contestants must not eat any watermelon until the starting signal is given. Judges will be on hand to assure adherence to the contest rules. The age group winners will be the person who consumes the entire portion of the watermelon in the shortest amount of time. In the event of a tie, the contestants will participate in a second round of watermelon eating.**
